There will be an Information Desk in every Official Hotel, running at the same times of transport services. There the attendees can obtain information on official transfers, as well as receive tourist information or other information related to the event.

The event organization provides transportation from the Official Hotels to the Airport from October 10th through the 12th. The suggested time to board the bus is 4 hours and 30 minutes before the flight departure.

The event organization provides shuttle bus services. If you want to request taxi service, it is always recommended to use the taxi service mentioned in this guide: in the Airport, the Annual Meetings Campus and Official Hotels; also avoid taking taxis in the street, especially at night.
